| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Synthetic peptide derived from human FOXP3 protein                                                                                                                                                                                                            |
| Produktbeschreibung      | Probable transcription factor. Plays a critical role in the control of immune response. Defects in FOXP3 are the cause of immunodeficiency polyendocrinopathy, enteropathy, X-linked syndrome (IPEX), also known as X-linked autoimmunity-immunodeficiency... |
| Konzentration            | Lot specific, see vial                                                                                                                                                                                                                                        |
| UniProt                  | <a href="#">Q9BZS1</a>                                                                                                                                                                                                                                        |
| Puffer                   | Provided as solution in phosphate buffered saline with 0.08% sodium azide                                                                                                                                                                                     |
| Reinheit                 | Antigen Immunoaffinity Purification                                                                                                                                                                                                                           |

|                        |                                                                                                                                     |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Affinity Purified                                                                                                                   |
| Formel                 | Provided as solution in phosphate buffered saline with 0.08% sodium azide                                                           |
| Anwendungsbeschreibung | Antibody can be used for Western blotting (1:400 starting dilution). Optimal concentration should be evaluated by serial dilutions. |
