Product Datasheet

Sphingosine 1-Phosphate Phosphatase 2 NMB-X1645B

Artikelname	Sphingosine 1-Phosphate Phosphatase 2
Artikelnummer	NMB-X1645B
Hersteller Artikelnummer	X1645B
Alternativnummer	NMB-X1645B
Hersteller	NordicMubio
Kategorie	Proteine/Peptide
Applikation	FA
Spezies Reaktivität	Human
Produktbeschreibung	Sphingosine 1-phosphate (S1P) is a highly bioactive lipid that has a myriad of biological effects both intracellularly as a second messenger and extracellularly by binding to the S1P(1-5)/G-protein-coupled receptors of the endothelial differentiation...
Konzentration	See vial for concentration
Isotyp	IgG
UniProt	Q8IWX5
Puffer	Provided as solution in phosphate buffered saline with 0.08% sodium azide
Formel	Provided as solution in phosphate buffered saline with 0.08% sodium azide

Anwendungsbeschreibung	For use with Sphingosine 1-Phosphate Phosphatase 2 polyclonal antibody (Cat. No. X1637P).
