Sphingosine Kinase 1, Mouse NMB-X1878B

Artikelname	Sphingosine Kinase 1, Mouse
Artikelnummer	NMB-X1878B
Hersteller Artikelnummer	X1878B
Alternativnummer	NMB-X1878B
Hersteller	NordicMubio
Kategorie	Proteine/Peptide
Applikation	FA
Immunogen	Synthetic phosphopeptide derived from the phosphorylation site of the sphingosine kinase 1 protein.
Produktbeschreibung	Sphingosine kinase 1 catalyzes the phosphorylation of sphingosine to form sphingosine 1-phosphate (spp)(sphingosine + ATP = sphingosine 1-phosphate + ADP), a lipid mediator with both intra- and extracellular functions. also acts on d-erythro-sphingos...
Konzentration	See vial for concentration
UniProt	Q8CI15
Puffer	Provided as solution in phosphate buffered saline with 0.08% sodium azide
Formulierung	Affinity Purified
Formel	Provided as solution in phosphate buffered saline with 0.08% sodium azide

Anwendungsbeschreibung	Blocking peptide for use with mouse sphingosine kinase 1 antibody (Cat. No. X1882P).
