| Wirt                     | Mouse                                                                                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                                                                                       |
| Applikation              | ELISA                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                            |
| Konjugation              | Biotin                                                                                                                                                                                                                                           |
| Produktbeschreibung      | Monoclonal antibody specific for IL-17F, This monoclonal antibody enables sensitive and specific detection of human IL-17F in ELISA., We recommend MTF1927 as detection antibody in IL-17F ELISA in combination with capture antibody MTF912.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                       |
| Klon-Bezeichnung         | [MTF1927]                                                                                                                                                                                                                                        |
| Isotyp                   | IgG1                                                                                                                                                                                                                                             |
| NCBI                     | <a href="#">112744</a>                                                                                                                                                                                                                           |
| Target-Kategorie         | IL-17F                                                                                                                                                                                                                                           |

|                        |                                                                                                                                                                                                                                                                                                                       |
