| Artikelname                      | Donkey anti-Rat IgG (H&L), F(ab)2 Fragment - Affinity Pure, min x w/bovine, chicken, goat, guinea pig, hamster, horse, human, mouse, rabbit or sheep IgG, Unconjugated |
| Artikelnummer                    | IMU-DKXRT-003-L                                                                                                                                                        |
| Hersteller Artikelnummer         | DkxRt-003-L                                                                                                                                                            |
| Alternativnummer                 | IMU-DKXRT-003-L                                                                                                                                                        |
| Hersteller                       | ImmunoReagents                                                                                                                                                         |
| Wirt                             | Donkey                                                                                                                                                                 |
| Kategorie                        | Antikörper                                                                                                                                                             |
| Spezies Reaktivität              | Rat                                                                                                                                                                    |
| Immunogen                        | Purified Rat IgG, whole molecule                                                                                                                                       |
| Konjugation                      | Unconjugated                                                                                                                                                           |
| Format                           | F(ab')2                                                                                                                                                                |
| Spezifität                       | IgG (H+L)                                                                                                                                                              |
| Minimale Kreuzreaktivität (MinX) | Bovine,Gallus,Goat,Guinea pig,Hamster (all),Equine,Human,Mouse,Rabbit,Sheep                                                                                            |
| Konzentration                    | > 4.5 mg/ml (E 1% at 280 nm = 14.0)                                                                                                                                    |
| Puffer                           | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                                 |

|               |                                                                     |
|---------------|---------------------------------------------------------------------|
| Reinheit      | > 90% based on SDS-PAGE Small amounts of intact IgG may be present. |
| Formulierung  | Clear, colorless liquid, 0.2 µm filtered                            |
| Antibody Type | Secondary Antibody                                                  |
