## Product Datasheet

### Recombinant hnRNP C1+C2 Monoclonal Antibody [4F4], IgG1, Mouse IMQ-IQ214R

|                          |                                                                 |
|--------------------------|-----------------------------------------------------------------|
| Artikelname              | Recombinant hnRNP C1+C2 Monoclonal Antibody [4F4], IgG1, Mouse  |
| Artikelnummer            | IMQ-IQ214R                                                      |
| Hersteller Artikelnummer | IQ214R                                                          |
| Alternativnummer         | IMQ-IQ214R-0.1                                                  |
| Hersteller               | ImmuQuest                                                       |
| Wirt                     | Mouse                                                           |
| Kategorie                | Antikörper                                                      |
| Applikation              | ELISA, ICC, IHC-P, IP, WB                                       |
| Spezies Reaktivität      | Gallus, Hamster, Human, Monkey                                  |
| Immunogen                | RNPs eluted from oligo (dT) cellulose column                    |
| Produktbeschreibung      | Recombinant Mouse Anti-hnRNP C1+C2 [4F4]...                     |
| Klonalität               | Recombinant                                                     |
| Konzentration            | 1mg/ml                                                          |
| Klon-Bezeichnung         | [4F4]                                                           |
| Isotyp                   | IgG1                                                            |
| NCBI                     | <a href="https://pubmed.ncbi.nlm.nih.gov/22761809">117282</a>   |
| Pubmed                   | <a href="https://pubmed.ncbi.nlm.nih.gov/22761809">22761809</a> |

|                        |                                                                                                                          |
|------------------------|--------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P61980</a>                                                                                                   |
| Puffer                 | Purified antibody (from supernatant) containing PBS 0.1% sodium azide,                                                   |
| Reinheit               | Protein A                                                                                                                |
| Formulierung           | Purified antibody (from supernatant) containing PBS 0.1% sodium azide,                                                   |
| Target-Kategorie       | hnRNP C1+C2                                                                                                              |
| Antibody Type          | Monoclonal Antibody                                                                                                      |
| Application Verdünnung | Optimal antibody dilution should be determined by titration, however as a guideline try around 1:100000 for western blot |
