## Product Datasheet

### Phospho-HGS (Tyr216) Antibody, Unconjugated, Rabbit, Polyclonal AFB-AF3861

|                          |                                                                                                                                                                |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Phospho-HGS (Tyr216) Antibody, Unconjugated, Rabbit, Polyclonal                                                                                                |
| Artikelnummer            | AFB-AF3861                                                                                                                                                     |
| Hersteller Artikelnummer | AF3861                                                                                                                                                         |
| Alternativnummer         | AFB-AF3861-100,AFB-AF3861-200                                                                                                                                  |
| Hersteller               | Affinity Biosciences                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                     |
| Applikation              | WB                                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                              |
| Immunogen                | A synthesized peptide derived from human HGS around the phosphorylation site of Tyr216.                                                                        |
| Konjugation              | Unconjugated                                                                                                                                                   |
| Klonalität               | Polyclonal                                                                                                                                                     |
| Reinheit                 | The antibody is from purified rabbit serum by affinity purification via sequential chromatography on phospho-peptide and non-phospho-peptide affinity columns. |
| Formulierung             | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                                                             |
| Antibody Type            | Primary Antibody                                                                                                                                               |

|                        |                 |
|------------------------|-----------------|
| Application Verdünnung | WB 1:500-1:2000 |
|------------------------|-----------------|
