| Spezies Reaktivität      | Guinea pig, Hamster, Human, Rabbit                                                                                                                                                                                                                            |
| Immunogen                | Recombinant full-length human Annexin A1 protein                                                                                                                                                                                                              |
| Produktbeschreibung      | The ANXA1 gene belongs to the annexin family, and contains 4 annexin repeats. A pair of annexin repeats may form one binding site for calcium and a phospholipid. ANXA1 promotes membrane fusion and is involved in exocytosis. The gene for ANXA1 is upre... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [rANXA1/6451]                                                                                                                                                                                                                                                 |
| Molekulargewicht         | 35kDa                                                                                                                                                                                                                                                         |
| Isotyp                   | IgG2a                                                                                                                                                                                                                                                         |

|                        |                                                                                                                                                                                                                                                               |
