| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IF, IHC, WB                                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Gallus, Guinea pig, Hamster, Human, Monkey, Mouse, Rat                                                                                                                                                                                                        |
| Immunogen                | Recombinant full-length human HSPD1 protein                                                                                                                                                                                                                   |
| Produktbeschreibung      | Recognizes a 60kDa protein, identified as the heat shock protein 60 (hsp60). A wide variety of environmental and pathophysiological stressful conditions trigger the synthesis of a family of proteins known as heat shock proteins (hsp s), more appropri... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [HSPD1/875]                                                                                                                                                                                                                                                   |
| Molekulargewicht         | 60kDa                                                                                                                                                                                                                                                         |
| Isotyp                   | IgG1                                                                                                                                                                                                                                                          |

|                        |                                                                                                                                                                                                                                                             |
