| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant fragment (around aa 65-184) of human SMARCB1 protein (exact sequence is proprietary)                                                                                                                                                              |
| Produktbeschreibung      | The INI-1 gene, which encodes a functionally uncharacterized protein component of the hSWI/SNF chromatin remodeling complex, is often mutated or deleted in malignant rhabdoid tumor (MRT). Two isoforms of INI-1, that differ by the variable inclusion o... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [SMARCB1/3984]                                                                                                                                                                                                                                                |
| Molekulargewicht         | 47kDa                                                                                                                                                                                                                                                         |

|                        |                                                                                                                                                                                                                                                             |
