| Hersteller               | NeoBiotechnologies                                                                                                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant human extracellular TFRC protein fragment (aa94-212) (exact sequence is proprietary)                                                                                                                                                              |
| Produktbeschreibung      | It recognizes a ~90-95kDa protein which is identified as cell surface transferrin receptor (CD71), a disulfide-bonded homodimeric glycoprotein of 180-190kDa. This MAb is highly specific to CD71 and shows no cross-reaction with other related proteins.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [TFRC/2898R]                                                                                                                                                                                                                                                  |
| Molekulargewicht         | 85-95kDa (monomer), 190kDa (dimer)                                                                                                                                                                                                                            |

|                        |                                                                                                                                                                                                                                                               |
