### Glycerol-3-Phosphate Dehydrogenase Antibody, Goat, Polyclonal ROC-200-101-210S

|                          |                                                               |
|--------------------------|---------------------------------------------------------------|
| Artikelname              | Glycerol-3-Phosphate Dehydrogenase Antibody, Goat, Polyclonal |
| Artikelnummer            | ROC-200-101-210S                                              |
| Hersteller Artikelnummer | 200-101-210S                                                  |
| Alternativnummer         | ROC-200-101-210S                                              |
| Hersteller               | Rockland Immunochemicals                                      |
| Wirt                     | Goat                                                          |
| Kategorie                | Antikörper                                                    |
| Spezies Reaktivität      | Rabbit                                                        |
| Immunogen                | Glycerol-3-Phosphate Dehydrogenase [Rabbit Muscle]            |
| Konjugation              | Unconjugated                                                  |
| Klonalität               | Polyclonal                                                    |
| Konzentration            | 1.0 mg/ml by UV absorbance at 280 nm                          |
| NCBI                     | <a href="#">100339469</a>                                     |
| UniProt                  | <a href="#">P08507</a>                                        |
| Puffer                   | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2    |
| Formulierung             | Liquid (sterile filtered)                                     |
| Target-Kategorie         | Rabbit                                                        |
| Antibody Type            | Primary Antibody                                              |

|                        |                                                                                                                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA: 1:5,000 - 1:25,000, WB: 1:500 - 1:3,000                                                                                                                                                                                                               |
| Anwendungsbeschreibung | Anti-GLYCEROL-3-PHOSPHATE DEHYDROGENASE (GOAT) Antibody has been assayed against 1.0 ug of Glycerol-3-Phosphate Dehydrogenase [Rabbit Muscle] in a standard ELISA using Peroxidase conjugated Affinity Purified anti-Goat IgG [H&L] (Goat) code 611-1302 and |
