## Product Datasheet

### Esterase Antibody, Rabbit, Polyclonal ROC-200-4169S

|                          |                                                            |
|--------------------------|------------------------------------------------------------|
| Artikelname              | Esterase Antibody, Rabbit, Polyclonal                      |
| Artikelnummer            | ROC-200-4169S                                              |
| Hersteller Artikelnummer | 200-4169S                                                  |
| Alternativnummer         | ROC-200-4169S                                              |
| Hersteller               | Rockland Immunochemicals                                   |
| Wirt                     | Rabbit                                                     |
| Kategorie                | Antikörper                                                 |
| Spezies Reaktivität      | Porcine                                                    |
| Immunogen                | Esterase [Porcine Liver]                                   |
| Konjugation              | Unconjugated                                               |
| Klonalität               | Polyclonal                                                 |
| Konzentration            | 0.981 mg/mL by UV absorbance at 280 nm                     |
| NCBI                     | <a href="#">100626873</a>                                  |
| UniProt                  | <a href="#">Q29550</a>                                     |
| Puffer                   | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |
| Formulierung             | Liquid (sterile filtered)                                  |
| Target-Kategorie         | Swine                                                      |
| Antibody Type            | Primary Antibody                                           |

|                        |                                                                                                                                      |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA: 1:10,000 - 1:50,000, WB: 1:1,000 - 1:5,000                                                                                    |
| Anwendungsbeschreibung | Anti-Esterase is suitable for use in ELISA and western blot. Specific conditions for reactivity should be optimized by the end user. |
