| Hersteller               | Rockland Immunochemicals                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                        |
| Applikation              | ELISA, WB                                                                                                                                                                         |
| Spezies Reaktivität      | Other                                                                                                                                                                             |
| Immunogen                | The immunogen is a Red Fluorescent Protein (RFP) fusion protein corresponding to the full-length amino acid sequence (234aa) derived from the mushroom anemone <i>Discosoma</i> . |
| Konjugation              | Unconjugated                                                                                                                                                                      |
| Klonalität               | Polyclonal                                                                                                                                                                        |
| Konzentration            | 0.005mg/mL by UV absorbance at 280 nm                                                                                                                                             |
| NCBI                     | <a href="#">9</a>                                                                                                                                                                 |
| UniProt                  | <a href="#">Q9U6Y8</a>                                                                                                                                                            |
| Puffer                   | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                                        |
| Formulierung             | Liquid (sterile filtered)                                                                                                                                                         |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Antibody Type          | Primary Antibody                                                                                                                                                                                                                                               |
| Application Verdünnung | ELISA: User Optimized, IHC: User Optimized, IF Microscopy: User Optimized, IP: User Optimized, WB: 1:1,000                                                                                                                                                     |
| Anwendungsbeschreibung | Ready-To-Use Anti-RFP is designed to detect RFP and its variants. Ready-To-Use Anti-RFP Rabbit Polyclonal Antibody has been optimized and tested in ELISA and in Western blot using 1:1000 dilution. This Anti-RFP (RTU) Antibody is sufficient to run 10 West |
