| Artikelname              | Chicken IgG (H&L) Antibody CY2 Conjugated Pre-Adsorbed, Cy2, Goat, Polyclonal |
| Artikelnummer            | ROC-603-111-126                                                               |
| Hersteller Artikelnummer | 603-111-126                                                                   |
| Alternativnummer         | ROC-603-111-126                                                               |
| Hersteller               | Rockland Immunochemicals                                                      |
| Wirt                     | Goat                                                                          |
| Kategorie                | Antikörper                                                                    |
| Spezies Reaktivität      | Gallus                                                                        |
| Immunogen                | Chicken IgG whole molecule                                                    |
| Konjugation              | Cy2                                                                           |
| Klonalität               | Polyclonal                                                                    |
| Konzentration            | 1.0 mg/mL by UV absorbance at 280 nm                                          |
| Puffer                   | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                    |
| Formulierung             | Lyophilized                                                                   |
| Target-Kategorie         | Chicken                                                                       |
| Antibody Type            | Secondary Antibody                                                            |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA: User Optimized, FLISA: 1:10,000 - 1:50,000, Flow Cytometry: User Optimized, IHC: User Optimized, IF Microscopy: 1:1,000 - 1:5,000, WB: User Optimized                                                                                                   |
| Anwendungsbeschreibung | Cy2 Conjugated secondary antibody is designed for immunofluorescence microscopy, fluorescence based plate assays (FLISA) and fluorescent western blotting. This product is also suitable for multiplex analysis, including multicolor imaging, utilizing vario |
