## Product Datasheet

### **Rabbit IgG anti-Chicken IgG (F(ab)2)-FITC, MinX none ROC-603-4204**

|                                  |                                                         |
|----------------------------------|---------------------------------------------------------|
| Artikelname                      | Rabbit IgG anti-Chicken IgG (F(ab)2)-FITC, MinX none    |
| Artikelnummer                    | ROC-603-4204                                            |
| Hersteller Artikelnummer         | 603-4204                                                |
| Alternativnummer                 | ROC-603-4204                                            |
| Hersteller                       | Rockland Immunochemicals                                |
| Wirt                             | Rabbit                                                  |
| Kategorie                        | Antikörper                                              |
| Applikation                      | FLISA,FACS,IF                                           |
| Spezies Reaktivität              | Gallus                                                  |
| Immunogen                        | Chicken IgG F(ab)2 fragment                             |
| Konjugation                      | FITC                                                    |
| Format                           | IgG                                                     |
| Spezifität                       | IgG (F(ab')2)                                           |
| Minimale Kreuzreaktivität (MinX) | no cross-adsorbtion                                     |
| Klonalität                       | Polyclonal                                              |
| Konzentration                    | 1.5 mg/mL by UV absorbance at 280 nm                    |
| Puffer                           | 0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |

|                        |                                                                                                                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                                                           |
| Target-Kategorie       | Chicken                                                                                                                                                                                                                                               |
| Antibody Type          | Secondary Antibody                                                                                                                                                                                                                                    |
| Application Verdünnung | FLISA: 1:10,000 - 1:50,000, Flow Cytometry: 1:500 - 1:2,500, IF Microscopy: 1:1,000 - 1:5,000                                                                                                                                                         |
| Anwendungsbeschreibung | Suitable for immunomicroscopy and flow cytometry or FACS analysis as well as other antibody based fluorescent assays requiring extremely low background levels, absence of F(c) mediated binding, lot-to-lot consistency, high titer and specificity. |
