| Produktbeschreibung      | DLGAP5 antibody LS-C331976 is an unconjugated rabbit polyclonal antibody to DLGAP5 (HURP) from human. It is reactive with human and mouse. Validated for IF, IHC and WB....                                                                                              |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                               |

|                        |                                                                                          |
|------------------------|------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">9787</a>                                                                     |
| Puffer                 | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                            |
| Reinheit               | Affinity purified                                                                        |
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                            |
| Application Verdünnung | IF (1:50 - 1:200), IHC (1:50 - 1:200), WB (1:500 - 1:2000)                               |
| Anwendungsbeschreibung | The predicted MW is 85kDa/94kDa/95kDa, while the observed MW by Western blot was 105kDa. |
