| Hersteller               | LifeSpan Biosciences                                                                                                                                                                      |
| Wirt                     | Mouse                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                |
| Applikation              | ELISA, IF, IHC, IHC-P, WB                                                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                                                                                     |
| Immunogen                | MAPK13 (AAH00433, 251 aa ~ 365 aa) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.                                                                           |
| Konjugation              | Unconjugated                                                                                                                                                                              |
| Produktbeschreibung      | P38delta antibody LS-B5519 is an unconjugated mouse monoclonal antibody to human p38delta (MAPK13). Validated for ELISA, IF, IHC and WB. Tested on 20 paraffin-embedded human tissues.... |
| Klonalität               | Monoclonal                                                                                                                                                                                |
| Klon-Bezeichnung         | [1E11]                                                                                                                                                                                    |
| NCBI                     | <a href="#">5603</a>                                                                                                                                                                      |

|                        |                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.4                                                                                                                                    |
| Reinheit               | Purified from ascites by Protein A                                                                                                             |
| Formulierung           | PBS, pH 7.4                                                                                                                                    |
| Application Verdünnung | ELISA, IF (10 µg/ml), IHC, IHC-P (5 µg/ml), WB                                                                                                 |
| Anwendungsbeschreibung | Immunohistochemistry: Formalin-fixed paraffin-embedded sections.<br>Sandwich ELISA: Recombinant protein. Western Blot using cell line lysates. |
