## Product Datasheet

### **Monoclonal Mouse anti-Human PAK1 Antibody (clone 4D1, IF, WB) LS-C133360** **LS-C133360-100**

|                          |                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Monoclonal Mouse anti-Human PAK1 Antibody (clone 4D1, IF, WB) LS-C133360                                                |
| Artikelnummer            | LS-C133360-100                                                                                                          |
| Hersteller Artikelnummer | LS-C133360-100                                                                                                          |
| Alternativnummer         | LS-C133360-100                                                                                                          |
| Hersteller               | LifeSpan Biosciences                                                                                                    |
| Wirt                     | Mouse                                                                                                                   |
| Kategorie                | Antikörper                                                                                                              |
| Applikation              | ELISA, IF, WB                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                   |
| Immunogen                | PAK1 (NP_002567, 191 aa ~ 280 aa) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.          |
| Konjugation              | Unconjugated                                                                                                            |
| Produktbeschreibung      | PAK1 antibody LS-C133360 is an unconjugated mouse monoclonal antibody to human PAK1. Validated for ELISA, IF and WB.... |
| Klonalität               | Monoclonal                                                                                                              |
| Konzentration            | 0.5 mg/ml                                                                                                               |
| Klon-Bezeichnung         | [4D1]                                                                                                                   |

|                        |                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">5058</a>                                                                                                                                  |
| Puffer                 | PBS, pH 7.4                                                                                                                                           |
| Reinheit               | Purified from ascites by Protein A                                                                                                                    |
| Formulierung           | PBS, pH 7.4                                                                                                                                           |
| Application Verdünnung | ELISA, IF (35 µg/ml), WB                                                                                                                              |
| Anwendungsbeschreibung | Immunohistochemistry: Formalin-fixed paraffin-embedded sections. Sandwich ELISA: Recombinant protein. Western Blot: Cell lysate, Recombinant protein. |
