| Alternativnummer         | LS-C144348-0.1                                                                                                                  |
| Hersteller               | LifeSpan Biosciences                                                                                                            |
| Wirt                     | Rabbit                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                      |
| Applikation              | ELISA, ICC, IF, WB                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                           |
| Immunogen                | A 15 AA synthetic peptide near the N-Terminus of human ZIMP10. The immunogen is located within aa 90-140 of ZIMP10.             |
| Konjugation              | Unconjugated                                                                                                                    |
| Produktbeschreibung      | ZMIZ1 antibody LS-C144348 is an unconjugated rabbit polyclonal antibody to human ZMIZ1. Validated for ELISA, ICC, IF and WB.... |
| Klonalität               | Polyclonal                                                                                                                      |
| Konzentration            | 1 mg/ml                                                                                                                         |
| NCBI                     | <a href="#">57178</a>                                                                                                           |
| Puffer                   | PBS containing 0.02% Sodium Azide                                                                                               |
| Reinheit                 | Peptide Column Affinity Chromatography                                                                                          |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | PBS containing 0.02% Sodium Azide                                                                                                                                                                                                                              |
| Application Verdünnung | ELISA, ICC, IF, WB (0.5 - 1 µg/ml)                                                                                                                                                                                                                             |
| Anwendungsbeschreibung | ZIMP10 antibody can be used for detection of ZIMP10 by Western blot at 0.5 ug/mL. Antibody can also be used for immunocytochemistry starting at 10 ug/mL. For immunofluorescence start at 20 ug/mL. Antibody validated: Western Blot in human samples, Immunoc |
