### Polyclonal Rabbit anti-Human SFXN1 Antibody (IHC, WB) LS-C155711 LS-C155711-100

|                          |                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Polyclonal Rabbit anti-Human SFXN1 Antibody (IHC, WB) LS-C155711                                                        |
| Artikelnummer            | LS-C155711-100                                                                                                          |
| Hersteller Artikelnummer | LS-C155711-100                                                                                                          |
| Alternativnummer         | LS-C155711-100                                                                                                          |
| Hersteller               | LifeSpan Biosciences                                                                                                    |
| Wirt                     | Rabbit                                                                                                                  |
| Kategorie                | Antikörper                                                                                                              |
| Applikation              | IHC, IHC-P, WB                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                   |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human SFXN1. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                            |
| Produktbeschreibung      | SFXN1 antibody LS-C155711 is an unconjugated rabbit polyclonal antibody to human SFXN1. Validated for IHC and WB....    |
| Klonalität               | Polyclonal                                                                                                              |
| Konzentration            | 0.87 mg/ml                                                                                                              |
| NCBI                     | <a href="#">94081</a>                                                                                                   |
| Puffer                   | 0.1 M Tris, pH 7, 0.1 M Glycine, 20% Glycerol, 0.01% Thimerosal                                                         |
| Reinheit                 | Immunoaffinity purified                                                                                                 |

|                        |                                                                                                                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | 0.1 M Tris, pH 7, 0.1 M Glycine, 20% Glycerol, 0.01% Thimerosal                                                                                                                                                           |
| Application Verdünnung | IHC, IHC-P (1:100 - 1:1000), WB (1:500 - 1:3000)                                                                                                                                                                          |
| Anwendungsbeschreibung | Suggested starting dilutions are as follows: Western blot: 1:500-1:3000, IHC-Paraffin: 1:100-1:1000. Not yet tested in other applications. Optimal working dilutions should be determined experimentally by the end user. |
