| Hersteller               | LifeSpan Biosciences                                                                                                                                                                     |
| Wirt                     | Mouse                                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                               |
| Applikation              | FC, IF, IHC, IHC-P, WB                                                                                                                                                                   |
| Spezies Reaktivität      | Canine, Human, Monkey                                                                                                                                                                    |
| Immunogen                | Full length human recombinant protein of human DSTN (NP_006861) produced in HEK293T cell.                                                                                                |
| Konjugation              | Unconjugated                                                                                                                                                                             |
| Produktbeschreibung      | Dextrin antibody LS-C172799 is an unconjugated mouse monoclonal antibody to Dextrin (DSTN) from human. It is reactive with human, dog and monkey. Validated for Flow, IF, IHC and WB.... |
| Klonalität               | Monoclonal                                                                                                                                                                               |
| Konzentration            | 0.4 mg/ml                                                                                                                                                                                |
| Klon-Bezeichnung         | [OTI2F7]                                                                                                                                                                                 |

|                        |                                                                  |
|------------------------|------------------------------------------------------------------|
| Isotyp                 | IgG1                                                             |
| NCBI                   | <a href="#">11034</a>                                            |
| Puffer                 | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA            |
| Reinheit               | Protein A/G purified                                             |
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol, 1% BSA            |
| Application Verdünnung | Flo (1:100), IF (1:100), IHC, IHC-P (1:150), WB (1:500 - 1:2000) |
| Anwendungsbeschreibung | Flo (1:100), IF (1:100), IHC, IHC-P (1:150), WB (1:500 - 1:2000) |
