### Monoclonal Mouse anti-Human POU5F1 / OCT4 Antibody (IF, WB) LS-C813063 LS-C813063-200

|                          |                                                                                                                                 |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Monoclonal Mouse anti-Human POU5F1 / OCT4 Antibody (IF, WB) LS-C813063                                                          |
| Artikelnummer            | LS-C813063-200                                                                                                                  |
| Hersteller Artikelnummer | LS-C813063-200                                                                                                                  |
| Alternativnummer         | LS-C813063-200                                                                                                                  |
| Hersteller               | LifeSpan Biosciences                                                                                                            |
| Wirt                     | Mouse                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                      |
| Applikation              | FC, IF, WB                                                                                                                      |
| Spezies Reaktivität      | Human                                                                                                                           |
| Immunogen                | Purified recombinant human Oct-3/4 protein fragments expressed in E.coli.                                                       |
| Konjugation              | Unconjugated                                                                                                                    |
| Produktbeschreibung      | OCT4 antibody LS-C813063 is an unconjugated mouse monoclonal antibody to human OCT4 (POU5F1). Validated for Flow, IF and WB.... |
| Klonalität               | Monoclonal                                                                                                                      |
| NCBI                     | <a href="#">5460</a>                                                                                                            |
| Puffer                   | 0.1 M Tris-glycine, pH 7.4, 0.15 M sodium chloride, 0.2% sodium azide, 50% glycerol.                                            |

|                        |                                                                                      |
|------------------------|--------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified                                                          |
| Formulierung           | 0.1 M Tris-glycine, pH 7.4, 0.15 M sodium chloride, 0.2% sodium azide, 50% glycerol. |
| Application Verdünnung | Flo (1:100 - 1:200), IF (1:100 - 1:500), WB (1:1000 - 1:2000)                        |
| Anwendungsbeschreibung | Applications should be user optimized.                                               |
