| Artikelname              | Polyclonal Rabbit anti-Human BCL2L11 / BIM Antibody (APC,Cy7, aa2-120, WB) LS-C737685                                               |
| Artikelnummer            | LS-C737685-200                                                                                                                      |
| Hersteller Artikelnummer | LS-C737685-200                                                                                                                      |
| Alternativnummer         | LS-C737685-200                                                                                                                      |
| Hersteller               | LifeSpan Biosciences                                                                                                                |
| Wirt                     | Rabbit                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                          |
| Applikation              | WB                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                               |
| Immunogen                | Recombinant BCL2L11 (Ala2-Arg120) expressed in E. coli.                                                                             |
| Konjugation              | APC/Cy7                                                                                                                             |
| Produktbeschreibung      | BIM antibody LS-C737685 is an APC, Cy7-conjugated rabbit polyclonal antibody to human BIM (BCL2L11) (aa2-120). Validated for WB.... |
| Klonalität               | Polyclonal                                                                                                                          |
| NCBI                     | <a href="#">10018</a>                                                                                                               |
| Puffer                   | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                                       |

|                        |                                                                                        |
|------------------------|----------------------------------------------------------------------------------------|
| Reinheit               | Antigen-specific affinity chromatography followed by Protein A affinity chromatography |
| Formulierung           | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                          |
| Application Verdünnung | WB                                                                                     |
| Anwendungsbeschreibung | WB                                                                                     |
