| Applikation              | IF, WB                                                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                               |
| Immunogen                | Recombinant protein of human RTKN                                                                                                                                               |
| Konjugation              | Unconjugated                                                                                                                                                                    |
| Produktbeschreibung      | Rhotekin antibody LS-C770396 is an unconjugated rabbit polyclonal antibody to Rhotekin (RTKN) from human. It is reactive with human, mouse and rat. Validated for IF and WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                      |
| Konzentration            | 1 mg/ml                                                                                                                                                                         |
| NCBI                     | <a href="#">6242</a>                                                                                                                                                            |
| Puffer                   | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                                                                                                                   |
| Reinheit                 | Affinity purification                                                                                                                                                           |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol |
| Application Verdünnung | IF (1:50 - 1:200), WB (1:500 - 1:2000)        |
| Anwendungsbeschreibung | Applications should be user optimized.        |
