| Artikelnummer            | LS-G132771-50                                                                                                                                                                                             |
| Hersteller Artikelnummer | LS-G132771-50                                                                                                                                                                                             |
| Alternativnummer         | LS-G132771-50                                                                                                                                                                                             |
| Hersteller               | LifeSpan Biosciences                                                                                                                                                                                      |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                          |
| Produktbeschreibung      | GSTp (Glutathione S-transferase P) is an enzyme that plays an important role in detoxification by catalyzing the conjugation of many hydrophobic and electrophilic compounds with reduced glutathione.... |
| Molekulargewicht         | 25kDa                                                                                                                                                                                                     |
| Tag                      | His, N-Terminal                                                                                                                                                                                           |
| NCBI                     | <a href="#">2950</a>                                                                                                                                                                                      |
| Quelle                   | E. coli                                                                                                                                                                                                   |
| Reinheit                 | Greater than 95%                                                                                                                                                                                          |
| Formulierung             | Lyophilized from 20mM Tris, 150mM NaCl, pH8.0, 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose, Proclin300.                                                                                                    |
