| Alternativnummer         | LS-G132800-10                                                                                                                                                                      |
| Hersteller               | LifeSpan Biosciences                                                                                                                                                               |
| Kategorie                | Proteine/Peptide                                                                                                                                                                   |
| Produktbeschreibung      | IL2RA (Interleukin-2 receptor alpha chain ), also known as Tac antigen and as CD25, was initially identified as a 55kDa membrane glycoprotein which is capable of binding IL 2.... |
| Molekulargewicht         | 37kDa                                                                                                                                                                              |
| Tag                      | His, N-Terminal                                                                                                                                                                    |
| NCBI                     | <a href="#">3559</a>                                                                                                                                                               |
| Quelle                   | E. coli                                                                                                                                                                            |
| Reinheit                 | Greater than 90%                                                                                                                                                                   |
| Formulierung             | Lyophilized from 20mM Tris, 150mM NaCl, pH8.0, 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose, Proclin300.                                                                             |
