| Hersteller               | NeoBiotechnologies                                                                                                                                                                                                                                            |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant fragment (around aa300-500) of human SLC45A3 protein (exact sequence is proprietary)                                                                                                                                                              |
| Produktbeschreibung      | Human prostein is a 553 aa protein identified by cDNA library subtraction and subsequent high OO throughput microarray screening of prostate cancer. Prostein has multiple transmembrane domains. Prostein has been shown to be uniquely expressed in norm... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [SLC45A3/7653]                                                                                                                                                                                                                                                |
| Molekulargewicht         | 59kDa                                                                                                                                                                                                                                                         |

|              |                                                                                                                                                                              |
