| Alternativnummer         | PRS-91-022-0.05                                                                                                                                                                                         |
| Hersteller               | ProSci                                                                                                                                                                                                  |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                        |
| Molekulargewicht         | 7.3 kD                                                                                                                                                                                                  |
| NCBI                     | <a href="#">3479</a>                                                                                                                                                                                    |
| UniProt                  | <a href="#">P05019</a>                                                                                                                                                                                  |
| Puffer                   | Lyophilized from a 0.2 um filtered solution of 300mM NaAc, pH 6.5. It is not recommended to reconstitute to a concentration less than 100 ug/ml. Dissolve the lyophilized protein in 500mM Acetic Acid. |
| Quelle                   | E. coli                                                                                                                                                                                                 |
| Reinheit                 | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.05 ng/ug (0.5 IEU/ug) as determined by LAL test.                                                                  |
| Formulierung             | Lyophilized                                                                                                                                                                                             |
| Anwendungsbeschreibung   | This recombinant protein can be used for biological assays. For research use only.                                                                                                                      |
