| Alternativnummer         | PRS-91-148-0.05                                                                                                                                                                             |
| Hersteller               | ProSci                                                                                                                                                                                      |
| Kategorie                | Proteine/Peptide                                                                                                                                                                            |
| Molekulargewicht         | 35.38 kD                                                                                                                                                                                    |
| NCBI                     | <a href="#">5777</a>                                                                                                                                                                        |
| UniProt                  | <a href="#">P29350</a>                                                                                                                                                                      |
| Puffer                   | Supplied as a 0.2 um filtered solution of 25mM TrisHCl, 2mM beta-ME, 1mM EDTA, 1mM DTT, 20% Glycerol, pH 7.5. It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Quelle                   | E. coli                                                                                                                                                                                     |
| Reinheit                 | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                                                         |
| Formulierung             | Liquid                                                                                                                                                                                      |
| Anwendungsbeschreibung   | This recombinant protein can be used for biological assays. For research use only.                                                                                                          |
