### Parvulin-14 Recombinant Protein PRS-92-173

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Parvulin-14 Recombinant Protein                                                                                                                   |
| Artikelnummer            | PRS-92-173                                                                                                                                        |
| Hersteller Artikelnummer | 92-173                                                                                                                                            |
| Alternativnummer         | PRS-92-173-0.05                                                                                                                                   |
| Hersteller               | ProSci                                                                                                                                            |
| Kategorie                | Proteine/Peptide                                                                                                                                  |
| Molekulargewicht         | 18.8 kD                                                                                                                                           |
| NCBI                     | <a href="#">5303</a>                                                                                                                              |
| UniProt                  | <a href="#">Q9Y237</a>                                                                                                                            |
| Puffer                   | Supplied as a 0.2 um filtered solution of 20mM PB,150mM NaCl,pH7.4. It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Quelle                   | E. coli                                                                                                                                           |
| Reinheit                 | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.               |
| Formulierung             | Liquid                                                                                                                                            |
| Anwendungsbeschreibung   | This recombinant protein can be used for biological assays. For research use only.                                                                |
