### Sentrin-specific protease 2 Recombinant Protein PRS-92-222

|                          |                                                                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Sentrin-specific protease 2 Recombinant Protein                                                                                                        |
| Artikelnummer            | PRS-92-222                                                                                                                                             |
| Hersteller Artikelnummer | 92-222                                                                                                                                                 |
| Alternativnummer         | PRS-92-222-0.05                                                                                                                                        |
| Hersteller               | ProSci                                                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                                                       |
| Molekulargewicht         | 39.2 kD                                                                                                                                                |
| NCBI                     | <a href="#">59343</a>                                                                                                                                  |
| UniProt                  | <a href="#">Q9HC62</a>                                                                                                                                 |
| Puffer                   | Supplied as a 0.2 um filtered solution of 50mM HEPES,5% glycerol pH 7.4. It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Quelle                   | E. coli                                                                                                                                                |
| Reinheit                 | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                    |
| Formulierung             | Liquid                                                                                                                                                 |
| Anwendungsbeschreibung   | This recombinant protein can be used for biological assays. For research use only.                                                                     |
