### Acylphosphate phosphohydrolase 1 Recombinant Protein PRS-92-308

|                          |                                                                                                                                                                          |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Acylphosphate phosphohydrolase 1 Recombinant Protein                                                                                                                     |
| Artikelnummer            | PRS-92-308                                                                                                                                                               |
| Hersteller Artikelnummer | 92-308                                                                                                                                                                   |
| Alternativnummer         | PRS-92-308-0.05                                                                                                                                                          |
| Hersteller               | ProSci                                                                                                                                                                   |
| Kategorie                | Proteine/Peptide                                                                                                                                                         |
| Molekulargewicht         | 13.42 kD                                                                                                                                                                 |
| NCBI                     | <a href="#">97</a>                                                                                                                                                       |
| UniProt                  | <a href="#">P07311</a>                                                                                                                                                   |
| Puffer                   | Supplied as a 0.2 um filtered solution of 20mM Tris,100mM NaCl,20% Glycerol,1mM DTT,pH8.0. It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Quelle                   | E. coli                                                                                                                                                                  |
| Reinheit                 | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                                      |
| Formulierung             | Liquid                                                                                                                                                                   |
| Anwendungsbeschreibung   | This recombinant protein can be used for biological assays. For research use only.                                                                                       |
