| Kategorie                | Proteine/Peptide                                                                                                                                                                   |
| Molekulargewicht         | 14.2 kD                                                                                                                                                                            |
| NCBI                     | <a href="#">3567</a>                                                                                                                                                               |
| UniProt                  | <a href="#">P05113</a>                                                                                                                                                             |
| Puffer                   | Lyophilized from a 0.2 um filtered solution of PBS,pH7.4. It is not recommended to reconstitute to a concentration less than 100 ug/ml. Dissolve the lyophilized protein in ddH2O. |
| Quelle                   | Human Cells                                                                                                                                                                        |
| Reinheit                 | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                                                |
| Formulierung             | Lyophilized                                                                                                                                                                        |
| Anwendungsbeschreibung   | This recombinant protein can be used for biological assays. For research use only.                                                                                                 |
