| Alternativnummer         | PRS-92-401-0.05                                                                                                                                                                                 |
| Hersteller               | ProSci                                                                                                                                                                                          |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                |
| Molekulargewicht         | 58.8 kD                                                                                                                                                                                         |
| NCBI                     | <a href="#">23959</a>                                                                                                                                                                           |
| UniProt                  | <a href="#">Q61503</a>                                                                                                                                                                          |
| Puffer                   | Supplied as a 0.2 um filtered solution of 20mM TrisHCl, 120mM NaCl, 4mM CaCl <sub>2</sub> , 20% Glycerol, pH 7.5. It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Quelle                   | Human Cells                                                                                                                                                                                     |
| Reinheit                 | Greater than 95% as determined by reducing SDS-PAGE. <br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                                                            |
| Formulierung             | Liquid                                                                                                                                                                                          |
| Anwendungsbeschreibung   | This recombinant protein can be used for biological assays. For research use only.                                                                                                              |
