| Immunogen                | His105~Met317                                                                                                                                                                                                                                                 |
| Produktbeschreibung      | The Sex Determining Region Y Box Protein 2 (SOX2) Monoclonal Antibody is applicable for the following applications: WB. Host: Mouse. Species Reactivity: Human (Homo sapiens), Rat (Rattus norvegicus). Immunogen: His105~Met317. Accession Number: P48431... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1mg/ml                                                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">6657</a>                                                                                                                                                                                                                                          |

|                  |                                                              |
|------------------|--------------------------------------------------------------|
| Puffer           | PBS, pH7.4, containing 0.02% NaN <sub>3</sub> , 50% glycerol |
| Reinheit         | Protein A + Protein G affinity chromatography                |
| Formulierung     | Liquid                                                       |
| Target-Kategorie | Sex Determining Region Y Box Protein 2 (SOX2)                |
