| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Mouse Receptor For Advanced Glycation Endproducts (RAGE) ELISA Kit for detecting RAGE in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Mouse (Mus musculus). Detection Range: 31.... |
| Detektionsbereich        | 31.2-2,000pg/ml                                                                                                                                                                                                                                               |
| Sensitivitaet            | 12.4pg/ml                                                                                                                                                                                                                                                     |
| NCBI                     | <a href="#">11596</a>                                                                                                                                                                                                                                         |
| Formulierung             | 96-Well Plate                                                                                                                                                                                                                                                 |
| Proben                   | Serum, Plasma, Tissue Homogenates, Cell Lysates, Cell Culture Supernates, Other Biological Fluids                                                                                                                                                             |
| Target-Kategorie         | Receptor For Advanced Glycation Endproducts (RAGE)                                                                                                                                                                                                            |
