## Product Datasheet

### Anti-Phospho-Lats2 (Ser83) mAb, IgG2b, Clone: [ST-3B11], Unconjugated, Mouse, Monoclonal MBL-CY-M1020

|                          |                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Phospho-Lats2 (Ser83) mAb, IgG2b, Clone: [ST-3B11], Unconjugated, Mouse, Monoclonal                |
| Artikelnummer            | MBL-CY-M1020                                                                                            |
| Hersteller Artikelnummer | CY-M1020                                                                                                |
| Alternativnummer         | MBL-CY-M1020                                                                                            |
| Hersteller               | MBL                                                                                                     |
| Wirt                     | Mouse                                                                                                   |
| Kategorie                | Antikörper                                                                                              |
| Applikation              | ELISA, WB                                                                                               |
| Spezies Reaktivität      | Human                                                                                                   |
| Immunogen                | a synthetic phosphopeptide corresponding to residues surrounding Ser83 of human Lats2 (KLH-conjugated ) |
| Konjugation              | Unconjugated                                                                                            |
| Produktbeschreibung      | Anti-Phospho-Lats2 (Ser83) mAb, IgG1, Clone: [ST-3B11], Mouse, Monoclonal...                            |
| Klonalität               | Monoclonal                                                                                              |
| Konzentration            | 1.0 mg/mL                                                                                               |
| Klon-Bezeichnung         | [ST-3B11]                                                                                               |

|                        |                                                                                                                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotyp                 | IgG2b                                                                                                                                                                                                  |
| NCBI                   | <a href="#">26524</a>                                                                                                                                                                                  |
| Puffer                 | 20 mM phosphate buffer (pH 7.5), 300 mM NaCl, 50 % glycerol                                                                                                                                            |
| Quelle                 | Monoclonal antibody was produced by immunizing mice with a synthetic phosphopeptide corresponding to residues surrounding Ser83 of human Lats2. IgG is purified by protein A-Sepharose chromatography. |
| Target-Kategorie       | Lats2                                                                                                                                                                                                  |
| Application Verdünnung | WB: 1-2 µg/mL. ELISA: 1 µg/mL                                                                                                                                                                          |
