## Product Datasheet

### Anti-V5-tag pAb-Agarose, Clone: [Polyclonal], Rabbit MBL-PM003-8

|                          |                                                                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-V5-tag pAb-Agarose, Clone: [Polyclonal], Rabbit                                                                                                    |
| Artikelnummer            | MBL-PM003-8                                                                                                                                             |
| Hersteller Artikelnummer | PM003-8                                                                                                                                                 |
| Alternativnummer         | MBL-PM003-8                                                                                                                                             |
| Hersteller               | MBL                                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                              |
| Applikation              | IP                                                                                                                                                      |
| Immunogen                | Carrier protein conjugated synthetic peptide (CP-GKPIPNPLLGLDST)                                                                                        |
| Konjugation              | Agarose                                                                                                                                                 |
| Produktbeschreibung      | Anti-V5-tag pAb-Agarose, Rabbit, Polyclonal...                                                                                                          |
| Klonalität               | Polyclonal                                                                                                                                              |
| Klon-Bezeichnung         | [Polyclonal]                                                                                                                                            |
| Isotyp                   | Ig                                                                                                                                                      |
| Puffer                   | 400 µg of anti-V5-tag polyclonal antibody covalently coupled to 200 µL of agarose gel and provided as a 50% gel slurry (in PBS/0.09% NaN <sub>3</sub> ) |

|                        |                                                                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Quelle                 | This antibody was purified from rabbit serum using affinity column.<br>The rabbit was immunized with carrier protein (CP) conjugated synthetic peptide, CP-GKPIPPLLGLDST. |
| Target-Kategorie       | V5                                                                                                                                                                        |
| Application Verdünnung | IP: 20 µL                                                                                                                                                                 |
