## Product Datasheet

### Anti-HRF (TCTP) pAb, Clone: [Polyclonal], Unconjugated, Rabbit MBL-PM017

|                          |                                                                |
|--------------------------|----------------------------------------------------------------|
| Artikelname              | Anti-HRF (TCTP) pAb, Clone: [Polyclonal], Unconjugated, Rabbit |
| Artikelnummer            | MBL-PM017                                                      |
| Hersteller Artikelnummer | PM017                                                          |
| Alternativnummer         | MBL-PM017                                                      |
| Hersteller               | MBL                                                            |
| Wirt                     | Rabbit                                                         |
| Kategorie                | Antikörper                                                     |
| Applikation              | IH, WB                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                              |
| Immunogen                | Recombinant Human full length HRF                              |
| Konjugation              | Unconjugated                                                   |
| Produktbeschreibung      | Anti-HRF (TCTP) (Human) pAb, Rabbit, Polyclonal...             |
| Klonalität               | Polyclonal                                                     |
| Konzentration            | 1 mg/mL                                                        |
| Klon-Bezeichnung         | [Polyclonal]                                                   |
| Isotyp                   | IgG                                                            |
| NCBI                     | <a href="#">7178</a>                                           |
| Puffer                   | PBS/50% glycerol, pH 7.2                                       |

|                        |                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Quelle                 | This antibody is a protein-A sepharosepurified rabbit polyclonal antibody raised against a GST-HRF fusion protein corresponding to full length amino acids of human HRF (1-172 a.a.). |
| Target-Kategorie       | HRF/TCTP                                                                                                                                                                              |
| Application Verdünnung | WB: 1:1,000 (chemiluminescence detection system). IHC: 1:1,000 (Heat treatment required for paraffin)                                                                                 |
