## Product Datasheet

### SMU1 Rabbit pAb, Unconjugated, Polyclonal ABB-A9110

|                          |                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------|
| Artikelname              | SMU1 Rabbit pAb, Unconjugated, Polyclonal                                                                    |
| Artikelnummer            | ABB-A9110                                                                                                    |
| Hersteller Artikelnummer | A9110                                                                                                        |
| Alternativnummer         | ABB-A9110-100UL,ABB-A9110-20UL,ABB-A9110-500UL,ABB-A9110-1000UL                                              |
| Hersteller               | ABclonal                                                                                                     |
| Wirt                     | Rabbit                                                                                                       |
| Kategorie                | Antikörper                                                                                                   |
| Applikation              | ELISA, WB                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                        |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive.               |
| Konjugation              | Unconjugated                                                                                                 |
| Produktbeschreibung      | Involved in mRNA splicing, via spliceosome. Located in nucleus. Part of U2-type precatalytic spliceosome.... |
| Klonalität               | Polyclonal                                                                                                   |
| Molekulargewicht         | 58kDa                                                                                                        |
| NCBI                     | <a href="#">55234</a>                                                                                        |
| UniProt                  | <a href="#">Q2TAY7</a>                                                                                       |

|                        |                                                                                                                                                                                                                                                |
