| Wirt                     | Rabbit                                                                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                  |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                       |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                                                                                                             |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                |
| Produktbeschreibung      | This gene encodes a hypothalamic neuropeptide precursor protein that gives rise to two mature neuropeptides, orexin A and orexin B, by proteolytic processing. Orexin A and orexin B, which bind to orphan G-protein coupled receptors HCRT1 and HCRT2, ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                  |
| Molekulargewicht         | 13kDa                                                                                                                                                                                                                                                       |
| NCBI                     | <a href="#">3060</a>                                                                                                                                                                                                                                        |

|                        |                                                                                                                                                       |
