| Kategorie                | Kits/Assays                                                                                                                                                                                                            |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                  |
| Immunogen                | Serum, plasma, cell culture supernatant, and other biological fluids.                                                                                                                                                  |
| Konjugation              | Biotin                                                                                                                                                                                                                 |
| Produktbeschreibung      | The ELISA (Enzyme-Linked Immunosorbent Assay) kit is an in vitro enzyme-linked immunosorbent assay for the quantitative measurement of samples in cell culture supernatant, serum, plasma (EDTA, citrate, heparin).... |
| Konzentration            | 15.6 pg/mL                                                                                                                                                                                                             |
| Molekulargewicht         | 4 hours                                                                                                                                                                                                                |
| Detektionsbereich        | 31.25-2000 pg/mL                                                                                                                                                                                                       |
| Sensitivitaet            | 15.6 pg/mL                                                                                                                                                                                                             |
