| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                      |
| Konjugation              | Biotin                                                                                                                                                                                                                                                     |
| Produktbeschreibung      | The ELISA (Enzyme-Linked Immunosorbent Assay) kit is an in vitro enzyme-linked immunosorbent assay for the quantitative measurement of samples in Serum, plasma, cell culture supernates, cell lysates, tissue homogenates and other biological fluids.... |
| Konzentration            | 23.4 pg/mL                                                                                                                                                                                                                                                 |
| Molekulargewicht         | 4 hours                                                                                                                                                                                                                                                    |
| Detektionsbereich        | 46.87-3000 pg/mL                                                                                                                                                                                                                                           |
| Sensitivitaet            | 23.4 pg/mL                                                                                                                                                                                                                                                 |
