| Artikelname              | WT1 recombinant monoclonal antibody, clone WT1/1434R, Clone: [WT1/1434R], Unconjugated, Monoclonal |
| Artikelnummer            | ABN-RAB03834                                                                                       |
| Hersteller Artikelnummer | RAB03834                                                                                           |
| Alternativnummer         | ABN-RAB03834-100                                                                                   |
| Hersteller               | Abnova                                                                                             |
| Kategorie                | Antikörper                                                                                         |
| Applikation              | FC, IF, IHC-P, SDS-PAGE                                                                            |
| Spezies Reaktivität      | Human                                                                                              |
| Immunogen                | Original antibody is raised against recombinant protein corresponding to recombinant WT1 protein   |
| Konjugation              | Unconjugated                                                                                       |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against recombinant WT1 protein....                  |
| Klonalität               | Monoclonal                                                                                         |
| Konzentration            | 0.2 mg/mL                                                                                          |
| Klon-Bezeichnung         | [WT1/1434R]                                                                                        |
| UniProt                  | 7490                                                                                               |

|                        |                                                                                                                                                                                                                                                 |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | In PBS, 0.1 mg/ml BSA, 0.05% sodium azide                                                                                                                                                                                                       |
| Formulierung           | Liquid                                                                                                                                                                                                                                          |
| Target-Kategorie       | WT1                                                                                                                                                                                                                                             |
| Application Verdünnung | Flow cytometry (0.5-1ug/10e6 cells in 0.1mL)Immunofluorescence (0.5-1 ug/mL)Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections)(0.5-1 ug/mL for 30 min at RT)SDS-PAGE analysisThe optimal working dilution should be determine |
