## Product Datasheet

### **DDX5 recombinant monoclonal antibody, clone 2C3, Clone: [2C3], Monoclonal ABN-RAB04125**

|                          |                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------|
| Artikelname              | DDX5 recombinant monoclonal antibody, clone 2C3, Clone: [2C3], Monoclonal                        |
| Artikelnummer            | ABN-RAB04125                                                                                     |
| Hersteller Artikelnummer | RAB04125                                                                                         |
| Alternativnummer         | ABN-RAB04125-100                                                                                 |
| Hersteller               | Abnova                                                                                           |
| Kategorie                | Antikörper                                                                                       |
| Applikation              | ELISA, FC, IF, IHC, WB                                                                           |
| Spezies Reaktivität      | Human                                                                                            |
| Immunogen                | Original antibody is raised against recombinant protein corresponding to full length human DDX5. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human and mouse DDX5....                   |
| Klonalität               | Monoclonal                                                                                       |
| Klon-Bezeichnung         | [2C3]                                                                                            |
| UniProt                  | 1655                                                                                             |
| Puffer                   | In PBS, pH7.4 (150 mM NaCl, 50% glycerol and 0.02% sodium azide)                                 |
| Formulierung             | Liquid                                                                                           |

|                        |                                                                                                                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | DDX5                                                                                                                                                                                         |
| Application Verdünnung | ELISAFlow Cytometry (1:20-1:200)Immunohistochemistry (1:50-1:200)Immunofluorescence(1:20-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
