## Product Datasheet

### **GYS1 (phospho S641) recombinant monoclonal antibody, clone 1D1, Clone: [1D1], Monoclonal ABN-RAB04225**

|                          |                                                                                                                          |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | GYS1 (phospho S641) recombinant monoclonal antibody, clone 1D1, Clone: [1D1], Monoclonal                                 |
| Artikelnummer            | ABN-RAB04225                                                                                                             |
| Hersteller Artikelnummer | RAB04225                                                                                                                 |
| Alternativnummer         | ABN-RAB04225-100                                                                                                         |
| Hersteller               | Abnova                                                                                                                   |
| Kategorie                | Antikörper                                                                                                               |
| Applikation              | ELISA, IF, WB                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                    |
| Immunogen                | Original antibody is raised against a synthetic phosphopeptide corresponding to residues surrounding S641 of human GYS1. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human GYS1....                                                     |
| Klonalität               | Monoclonal                                                                                                               |
| Klon-Bezeichnung         | [1D1]                                                                                                                    |
| UniProt                  | 2997                                                                                                                     |
| Puffer                   | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                                                          |
| Formulierung             | Liquid                                                                                                                   |

|                        |                                                                                                                                   |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | GYS1                                                                                                                              |
| Application Verdünnung | ELISAImmunofluorescence (1:20-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
