## Product Datasheet

### **RPS6KB1 (phospho T421/S424) recombinant monoclonal antibody, clone 3B6, Clone: [3B6], Monoclonal ABN-RAB04230**

|                          |                                                                                                                                  |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | RPS6KB1 (phospho T421/S424) recombinant monoclonal antibody, clone 3B6, Clone: [3B6], Monoclonal                                 |
| Artikelnummer            | ABN-RAB04230                                                                                                                     |
| Hersteller Artikelnummer | RAB04230                                                                                                                         |
| Alternativnummer         | ABN-RAB04230-100                                                                                                                 |
| Hersteller               | Abnova                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                       |
| Applikation              | ELISA, IF, IP, WB                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                            |
| Immunogen                | Original antibody is raised against a synthetic phosphopeptide corresponding to residues surrounding T421/S424 of human RPS6KB1. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human RPS6KB1....                                                          |
| Klonalität               | Monoclonal                                                                                                                       |
| Klon-Bezeichnung         | [3B6]                                                                                                                            |
| UniProt                  | 6198                                                                                                                             |
| Puffer                   | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                                                                  |
| Formulierung             | Liquid                                                                                                                           |

|                        |                                                                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | RPS6KB1                                                                                                                                                             |
| Application Verdünnung | ELISAImmunofluorescence (1:20-1:200)Immunoprecipitation (1:200-1:1000)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
