## Product Datasheet

### **EIF2S1 (phospho S51) recombinant monoclonal antibody, clone 1C6, Clone: [1C6], Monoclonal ABN-RAB04232**

|                          |                                                                                                                           |

| Alternativnummer         | ABN-RAB04232-100                                                                                                          |
| Hersteller               | Abnova                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | ELISA, IF, IHC, WB                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                     |
| Immunogen                | Original antibody is raised against a synthetic phosphopeptide corresponding to residues surrounding S51 of human EIF2S1. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human EIF2S1....                                                    |
| Klonalität               | Monoclonal                                                                                                                |
| Klon-Bezeichnung         | [1C6]                                                                                                                     |
| UniProt                  | 1965                                                                                                                      |
| Puffer                   | In PBS, 150 mM NaCl, pH 7.4 (50% glycerol, 0.02% sodium azide)                                                            |
| Formulierung             | Liquid                                                                                                                    |

|                        |                                                                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | EIF2S1                                                                                                                                                             |
| Application Verdünnung | ELISAImmunofluorescence (1:20-1:200)Immunohistochemistry (1:50-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
