## Product Datasheet

### **EIF2AK2 (phospho T446) recombinant monoclonal antibody, clone 2F8, Clone: [2F8], Monoclonal ABN-RAB04235**

|                          |                                                                                                                             |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | EIF2AK2 (phospho T446) recombinant monoclonal antibody, clone 2F8, Clone: [2F8], Monoclonal                                 |
| Artikelnummer            | ABN-RAB04235                                                                                                                |
| Hersteller Artikelnummer | RAB04235                                                                                                                    |
| Alternativnummer         | ABN-RAB04235-100                                                                                                            |
| Hersteller               | Abnova                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                  |
| Applikation              | ELISA, IF, IHC, WB                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                       |
| Immunogen                | Original antibody is raised against a synthetic phosphopeptide corresponding to residues surrounding T446 of human EIF2AK2. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human EIF2AK2....                                                     |
| Klonalität               | Monoclonal                                                                                                                  |
| Klon-Bezeichnung         | [2F8]                                                                                                                       |
| UniProt                  | 5610                                                                                                                        |
| Puffer                   | In PBS, 150 mM NaCl, pH 7.4 (50% glycerol, 0.02% sodium azide)                                                              |
| Formulierung             | Liquid                                                                                                                      |

|                        |                                                                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | EIF2AK2                                                                                                                                                            |
| Application Verdünnung | ELISAImmunofluorescence (1:20-1:200)Immunohistochemistry (1:50-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
